

If there be any kindness I can show, or any good thing that I can do any fellow creature, let me do it now, and not defer it or neglect it, as I shall not pass this way again.

What is the Kansas Dietetic Association Foundation?

The Kansas Dietetic Association Foundation (KDAF) was established in 1998. It exists as the philanthropic arm of the Kansas Dietetic Association (KDA). It is legally separate from Kansas Dietetic Association.

KDAF supports the mission of **KDA** by

- ◆ Funding scholarships for the dietetics profession. Funds are available to deserving students at all levels of study.
- ◆ Recognizing dietetic practitioners for their outstanding contributions to the Association and to the profession.

KDAF is governed by a 6 member board of directors

President (Immediate Past-President KDA)

President-elect (KDA President)

Treasurer (KDA Treasurer)

Awards Chairperson

CD-HCF Chairperson

KDA Executive Director

Plan for Tomorrow...

We recognize the value and impact dietetics professionals provide in supporting and advocating for a healthier lifestyle.

We are eager to support their education. The best way that we can ensure that funding will be there for our scholarship programs in future years is by building an endowment program.

With an endowment the principal is never spent. Instead only a designated percentage of a fund's income can be spent each year.

Your Help is Needed...

Do you have a friend, mentor or loved one that you wish to honor?

What nicer way to do so than to give a memorial gift or commemorative gift to our Foundation.
