

Mentoring Application: Mentor

Date: June 26, 2009

Please complete this application form and email to kda_exec@dietetics.org for posting on the KDA website.

Name:	Nichole Burnett
Email address:	nburnett@ksu.edu
Credentials (e.g.: DTR, CDE, RD)	MS, RD, LD
Years of Dietetics Practice	12

Select your Mentoring Interest (You may choose more than one)

I am interested in becoming a **Traditional Mentor**, and can make a one semester commitment to answer questions, provide resources, or offer guidance to mentees.

I am interested in becoming a **KDA Position Mentor**. I am a current officer of the Kansas Dietetic Association and am interested in teaching students about becoming a leader in the organization.

How many individuals at a time can you mentor? 1

Areas of Practice/Skills For Mentoring (Please check all that apply)

Internship Selection	Sales	Business & Industry	Public Speaking	General	Cardiac
Food Service Management	Teaching x	Publishing	Marketing	Wt Mgmt	Oncology
Diet Tech	Research	Computers x	Consulting	Clinical Mgt	Diabetes
School Food Service	Administration	Public Health WIC x	Sports	Rehab	NICU
					Geriatrics
					Nutr. Support
					Pediatrics

Other Areas of expertise, hobbies/skills which you can use when mentoring :

using different methods of technology to teach that go beyond the basic website postings
 supervising a program assistant for grant funded program working with limited resources audiences
 training and coordinating volunteers in the Master Food Volunteer and 4-H programs
 consumer oriented food safety and preparation especially quick and healthy meals
 community-based physical activity programs such as Walk Ks and Strong People

Your goals for being a mentor:

Educate students on nutrition education in the community in a non-traditional role of a dietitian. I would like to work with a student who enjoys being with the public, enjoys food preparation and isn't afraid to try new things.

Current Job Title:	Extension Family and Consumer Sciences Agent	ADA#	xxxxxx
--------------------	--	------	--------

* You must be a KDA member to be a mentor

Primary Job Responsibility:

There isn't a typical day in Extension. My job involves educating the public through print media, classes, phone calls, emails and web materials. I am responsible for nutrition, food safety, food preparation, food preservation and other health related topics. My audience is defined as anyone who resides in Johnson County but we actually serve most of the metro area. Volunteer management is becoming a larger part of Extension program because of our metro location.

Any comments:

By affixing your initials hereto you agree to waive any and all legal rights of any kind whatsoever direct or implied against the Kansas Dietetic Association, which may arise from your activities in the Professional Mentoring Program
